

A bold, black calligraphic Chinese character for fire (火). The character consists of a central vertical stroke that curves slightly to the right at the bottom, with two smaller, curved strokes branching out from the top, resembling flames.

FEU

A bold, black calligraphic Chinese character for earth (土). The character features a thick, horizontal base stroke, with a vertical stroke rising from the center and a shorter horizontal stroke crossing it near the top.

TERRE

A bold, black calligraphic Chinese character for sky (天). The character has a thick, horizontal top stroke, a horizontal middle stroke, and two long, sweeping, curved strokes extending downwards and outwards from the center.

CIEL

A bold, black calligraphic Chinese character for water (水). The character is composed of a central vertical stroke that tapers to a point at the bottom, with two curved strokes branching out from the upper part, resembling waves or droplets.
